Testimonials

“I have been using Olcott for annuity services for my clients for many years. In over 20 years of practice using many different annuity service providers, I have been the most pleased with the service that Olcott provides. I have found Olcott to be both cost effective and responsive.”

– Cecily Anne O’Regan, Patent Attorney,
Chair, Patent Prosecution Group, Shartsis Friese, LLP

“Olcott takes away the hassle, worry, and pain, from annuity payments. They have awesome service, superb performance, immediate response, and a team of dedicated professionals.”

– Dean G. Stathakis, President & COO,
One3 IP Management, PC

“Olcott’s Renewal Services meet all our expectations in a fair and responsible way. We appreciate your high standards and consistent focus on our business relationship.”

– A.K. Kamalasanan, K & S Partners,
Intellectual Property Attorneys, India

“Olcott International is the perfect patent renewal service provider; you are not just an account to them. They truly care on a business level to make sure that all your needs are met without any mistakes, but also on a human level. They are an incredible team!”

– Laurent Hechmati, Founder and CEO of Biosleeve

renewals

Overview of Olcott's IP Renewal Services

Olcott is committed to offering its clients the lowest possible fees, while ensuring the highest level of reliable and accurate renewal work. We act as your single point of contact for your worldwide patent and trademark renewals, and customize our services to your specific needs.

Client Accounts

- No minimum required to establish an account with Olcott
- Accounts can be set up according to client's unique requirements
- Client accounts are assigned to individual account managers ensuring dedicated service

Online Account Access

Olcott's clients/their representatives are provided with secure 24/7 access to their portfolios via an online portal that allows you to:

- View your complete portfolio/inventory for active/abandoned cases
- Generate reports showing the next annuity due date
- Track the status of renewal fee payments
- View and download renewal receipts
- Conduct case searches based on certain criteria (e.g., by country, official number, title, reference)
- Sort search results and export into various formats
- Generate and export budget reports
- Report updates by email to Olcott by case number
- View contact information

Software Solutions

Olcott's state-of-the-art propriety IP management software offers cutting-edge technologies for integration and electronic networking based on open standards. The system is designed to efficiently handle a very high volume of renewals. We maintain all relevant (and current) law tables and official fee schedules which seamlessly automates the determination of the next renewal due dates and fees due. This process enables the optimal administration and flawless handling of all aspects of IP management.

If you require more information or to receive a free estimate for our renewal services, please contact us by phone or email:
